1962

At Randolph-Henry High, 1962 is, and will be, the best year of your life. It is a time to study, to learn, to determine what the years ahead can bring; a time of disappointments and successes; a time of confusion and calm—a unique way of life.

Remember the Fall of 1961 with its perfect Homecoming? Even though your team didn't win the game, it was still perfect because it was yours. Remember the magazine campaign which enables us to complete the Field House, the class plays when the familiar auditorium stage acquired the air of Broadway?

The trip to the University of Virginia; the inspiring Christmas pageant; the S. C. A. dance; mid term exams when you wondered if study was worth the time; the basketball games you stood in line for, just to yell yourself hoarse for the Statesmen team because it was your team and you loved it—it was the winter of 1962, remember?

## FOREWORD

Spring brought with her the baseball games, the festive prom, Senior week, and the inevitable final exams with more late study hours. Sometimes you felt like quitting. Yet knowledge brought satisfying security.

When the last books were taken out and your locker was empty, waiting for the belongings of some other student in some other year, you became a little less anxious to leave the place that had been your home for the best years of your life. That night in June of 1962 you walked across the stage to receive your diploma. In your mind's eye you saw the year pass by again! Somehow the total of all of those months produced a memory you will cherish always—We, the 1962 Log Staff, hope we have captured this memory for You.

## DEDICATION

To one whose classes offered not only the fundamentals of the course, but also were spiced with bits of humor, an abundance of wisdom, and best of all a personal interest in each of her students.

To one who had the ability to make the "dead language" of the Romans come to life, to make the facts of ancient history of vital concern in the present, and to bring the beautiful thoughts expressed in literature to our realm of understanding.

With love, admiration and respect, we, the staff of **The Log**, dedicate this volume to one of Randolph-Henry's most dedicated and best beloved teachers.

MRS. JANE CARTER HOLT

ADMINISTRATION

## BOARD OF EDUCATION

The members of our Charlotte County Board of Education have devoted much time to the improvement of our schools. They are responsible for making our school district what it is today. We wish to express our gratitude to: Mr. R. S. Chamberlayne, Jr., Mr. Purcell Hamlett, Mr. G. O. McGhee, Mr. Judd Jackson, Mr. J. F. Lyle, Mrs. F. X. Barksdale, and Mr. R. F. Maloney.

**MR. GRANT O. MCGHEE**  
**Superintendent of Charlotte County Schools**

During 1961-62 Mr. G. O. McGhee, superintendent of county schools, fulfilled his duties to meet the needs of education in Charlotte County. He also interpreted the schools to the public through numerous articles and speeches. He has done an excellent job.

**MR. ORAL E. WARE**  
Principal, Randolph-Henry High School

Only a man with an unusually strong character could undertake and successfully fulfill the demanding duties of a high school principal. The students of Randolph-Henry High have found such a man in their own principal, Mr. O. E. Ware. We are pleased that he has done such a wonderful job for us. His friendly advice and patience has helped us in many ways.

**MISS JOSEPHINE MAHLER**  
Secretary to the Principal

Miss Mahler is one of the best known personalities at Randolph-Henry. She was kept busy the year round with records, telephone calls, and questions, but was never too busy to offer a friendly "Hello" to everyone.

**MRS. LUCY GARBER**  
Nurse

Whether it is a minor ache or a major accident, Mrs. Garber makes each of us feel better after a visit to the infirmary. We thank her for her patience and help.

**MRS. GRACE COOPER, Cafeteria Manager**

Mrs. Cooper and her helpers, Mrs. St. John, Miss Lipscomb, Mrs. Covington, and Mattie Stitts are responsible for our lunches each day. They are to be commended.

#### JANITORS AND MAIDS

Hillary, Ed, Betty and Emma have the responsibility of keeping our building comfortable, clean, and attractive. This is no easy job since over six hundred people use these buildings daily. We deeply appreciate their efforts and commend them for a job well done.

#### BUS DRIVERS

Our bus drivers, Tyree Reamey, Rush Adams, William Lovelace, Edna Smith, Larry Philbeck, Ernest Johnson, Heno Lacks, Roy Crews, Morris Overstreet, David Elder, Henry LaPradd, Olney Elliott, Willie Jennings, and Emmett Martin, endure the early hours, the noisy crowds, heat and cold to see that we all reach school and return home safely.

## GENERAL AIMS

To develop in our school the kind of students who are worthy citizens of the home, the school, the community, the nation, and the world in which they live.

To help provide a wholesome spiritual, mental, social, and physical school environment.

To assist in working on community projects, such as providing food, clothing, and comfort to procure a fuller measure of happiness for the less fortunate members of our society.

## SAFETY PATROL

Safety is their motto and the members of the safety patrol are on the job every morning and afternoon that the buses run their route. Like the mailman, neither rain, sleet,

nor snow can keep them from checking for trains, and insuring safe passage across a road.

LIBRARY WORKERS ARE  
DEVOTED TO THEIR JOBS

## LIBRARY CLUB

The library club consists of outstanding students who are interested in books and enjoy working with people. The numerous duties range from all phases of book work—checking in and out, shelving, mending, lettering, tabulating circulation records—to the planning of displays and bulletin boards. Most important they help other students with questions and library problems. In appreciation for their hard efforts, letters are awarded at the end of the year to deserving members. This year the club introduced a new service to the school—the selling of paperbacks. Our library is not only a source of knowledge but also a friendly and attractive place to visit anytime during the school day!!!

GREASE PAINT AND THE FEELING  
OF EXCITEMENT

Dramatics bring to the school a special excitement. There is the fun at try-outs, the work of practice, and finally the case of nerves for the first night the play is presented. Aspiring actors come to the try-outs which are held about a month before the production. Some get the leading parts, other supporting roles, still others find their talent lies more in staging, make-up, lighting or directing. However, the job to end all jobs is the prompting. More tedious than any other single occupation of the theater, prompting demands constant attention to the script, and to the action on the stage. On the night of the play, the prompt girl often sits in semi-darkness, following the script for the umpteenth time.

Here at Randolph-Henry dramatics mean the one-act play that is presented before the critical eye of a judge.

Here in the high school the 4-H club offers more and more opportunities to the club member. Aside from the satisfaction of completing a project, the 4-H provides many trips and awards to the better club member. There is district contest in the spring,

short course in the summer with the selection of All Stars, camp in late summer, a chance to display junior leadership, and various state and national trips.

the pinata at the Christmas meeting. Students who are taking Spanish and those who have taken it in the past hope to increase understanding of their neighbors to the south by promoting interest in the Language.
